

Article Acceptance Certificate

This certificate confirms that the following paper has been accepted for publication in:

Journal of Information Science, 31 (6) 2005, pp. 483–495

DOI: 10.1177/0165551505057008

Title:	Collaborative interaction behaviors in an information technology problem-solving context: Cognitive movements of the helper and the helped
Authors:	Sung-Jin Kim Chingning Wang
Received:	10th February 2005
Revised:	25th April 2005
Accepted:	17th May 2005

ERRATUM - Published in Journal of Information Science 32(3)

"The authorship for this paper should have included Sung-Jin Kim and Chingning Wang, both affiliated with the School of Information Studies, Syracuse University. Ms. Wang's name was omitted accidentally during revisions and Dr. Kim apologizes to her for this unfortunate oversight. Both authors contributed equally to this work and should be included in all future citations. The authors are grateful to JIS for their help in correcting this mistake and ensuring that Ms. Wang receives credit for her contributions."
